

HOW TO Sheet Mask

Take time for yourself with the **Celavive® Hydrating + Lifting Sheet Mask**: an easy-to-use, at-home beauty treatment that enhances the look of your complexion.

IT'S THIS EASY:

1. Cleanse and tone.
2. Gently unfold the sheet mask, align the holes with your face, and press it on.

3. Relax for 20 minutes.

4. Remove mask and discard it. Massage the extra serum into your face and neck.

5. Finish up with Celavive Vitalizing Serum and moisturizer.
